

This diagram is for use with the
CHRISTMAS NIGHT
TREE SKIRT
tutorial on our YouTube channel:
 [YouTube.com/ShabbyFabrics](https://www.youtube.com/ShabbyFabrics)

When printing, be sure to print at
Actual Size, 100%, Do Not Scale.

To verify that your circle is the correct
size, we recommend that you measure
the diameter of the circle **before**
tracing and cutting your fabric. Circle
should measure 4" at the widest point.
